

6/27/2025

AUDREY L DUARTE
CURRICULUM VITAE

DUARTE, AUDREY L.

Professor
Departments of Psychology and Neurology
University of Texas at Austin

I. EARNED DEGREES

Ph.D.	Molecular and Cell Biology University of California at Berkeley Advisor: Robert Knight, M.D.	2004
B.S.	Neurobiology, Physiology, & Behavior University of California at Davis	1999

II. EMPLOYMENT HISTORY

Professor, Neurology, UT Austin	2022-present
Professor, Psychology, UT Austin	2021-present
Associate Chair for Undergraduate Education, Psychology, Georgia Institute of Technology	2018-2021
Professor, Psychology, Georgia Institute of Technology	2020-2021
Associate Professor, Psychology, Georgia Institute of Technology	2014 -2020
Adjunct Professor, Biology, Georgia Institute of Technology	2008 -2021
Assistant Professor, Psychology, Georgia Institute of Technology	2008 -2014
Post-doctoral Research Fellow, MRC-Cognition and Brain Sciences Unit (mentors: Kim Graham & Rik Henson)	2006-2007
Post-doctoral Research Fellow, University of California at San Francisco (mentor: Michael Weiner)	2004-2005
Graduate Research Assistant, University of California at Berkeley (mentor: Robert Knight)	1999 -2004

III. HONORS AND AWARDS

Co-Chair Community Engagement and Support Committee for Cognitive Neuroscience Society, 2025-
Membership Engagement Chair, American Academy for the Advancement of Science (AAAS), 2025-
Psychonomic Society Mid-Career Award, 2024
UT Austin Excellence in Research on Aging Award, 2023
Provost's Mentored Faculty Scholars Program, Selected Mentor, 2023-2024
Co-Chair Cognitive Neuroscience Society Diversity Council, 2023-2025
Memory Disorders Research Society, Elected Memory Executive Committee, 2021-present
Faces of Inclusive Excellence awardee, Georgia Tech, 2019
Nominated member of Faculty of 1000, Biological Psychology, 2019
Elected member Cognitive Neuroscience Society Diversity Council, 2018-present
Emerging Leaders Program, Office of the Provost, Georgia Tech, 2017-2018
Adaptive Leadership Program, Scheller School of Business, Georgia Tech, 2017
Cullen Peck Scholar, 2015
Elected member of the Memory Disorders Research Society, 2013

6/27/2025

AUDREY L DUARTE
CURRICULUM VITAE

President of Southeastern Workers in Memory, 2013-2014
Goizueta Foundation Early Career Rotating Professor, 2011-2014
Elected member of the International Society for Behavioral Neuroscience, 2009
Thank a Teacher Award recipient, every semester 2009-2014
Summer Institute in Cognitive Neuroscience fellow, 2001
McNair Scholar, U.C. Davis chapter, 1997 - 1999
Kaiser Permanente Health Foundation Scholarship, U.C. Davis, 1997 - 1998
Lillian D. Wells Scholarship, U.C. Davis, 1997 – 1998

IV. RESEARCH, SCHOLARSHIP, AND CREATIVE ACTIVITIES

A. PUBLISHED BOOKS, BOOK CHAPTERS, AND EDITED VOLUMES

† mentored post-doctoral research fellow at Georgia Tech
‡ mentored graduate student at Georgia Tech.
‡ mentored undergraduate student at Georgia Tech
BOLD text indicates student

A1. Books

Development of the Human Brain
Editor-in-Chief (Jordan Grafman)
Section Editor: Duarte, A.
The Encyclopedia of the Human Brain, 2nd edition (2025)
ISBN: 978-0-12-820481-8

The Wiley Handbook on the Cognitive Neuroscience of Memory, (2015)
Editors: Duarte A., Addis D.R., Barense M.D. Wiley-Blackwell Press.
ISBN: 978-1-118-33259-7

A2. Refereed Book Chapters

Beevers, C., Weisenberger, R., Duarte, A. *Memory problems in affective disorders*. In Budson, A and Kopelman, M. (Eds.) Handbook of Clinical Neurology: Disorders of Memory. Elsevier Press, in preparation.

Duarte, A., & Dulas, M. R. *The relationship between cognitive control and episodic memory across the adult lifespan*. In Gutchess, A and Thomas, A. (Eds.) Handbook of Cognitive Aging: A Life Course Perspective. Cambridge University Press, 2020

Duarte, A., & Kensinger, E. A. *Age-related Changes in Episodic Memory*. In Samanez-Larkin, G. R. (Ed.), The Aging Brain: APA Books, 2019.

A3. Edited Volumes

The Cognitive Neuroscience of Aging and Memory, (2015).
Editors: Duarte, A and Rajah, M.N.
Brain Research
Volume 1612, Pages 1-152

AUDREY L DUARTE
CURRICULUM VITAE

B. REFEREED PUBLICATIONS AND SUBMITTED ARTICLES

Student trainees names in Boldface

† Post-doc trainees

B1. Published and Accepted Journal Articles

Seo A., Nishiyama R., Lee K., Duarte A. Factors linking interoception and sleep across the adult lifespan. *Psychophysiology*, in press.

Seraji, M. Mirjalili S., Wiafe S.L., Duarte A., Calhoun V. The role of sleep duration and age in neural reactivation and episodic memory performance across the adult lifespan. *IEEE Engineering in Medicine and Biology Society (EMBC)*, June (2025).

Seraji M. Mirjalili S., Duarte A., Calhoun V. Investigating the impact of habitual sleep quality on episodic memory performance: an EEG-based representational similarity analysis. *International Symposium on Biomedical Imaging* proceedings, April (2025).

Mirjalili S., Duarte A. Using machine learning to simultaneously quantify multiple cognitive components of episodic memory. *Nature Communications*, 16, 2856 (2025).

†Cutler R., **Mirjalili S., Pram P., Devulapalli H., Zafar S.,** Duarte A. Semantic Memory Space Becomes Denser with Age. *Neuropsychologia*, 208, February (2025).

Niu Z., Haley A.P., Clark A.L., Duarte A. Age exacerbates the negative effect of depression on executive functioning, especially in racial and ethnic minorities. *Brain Imaging and Behavior*, 18(5): 1064-1074 (2024).

†Justus S.A., **Mirjalili S.,** †Powell P.S., Duarte A. Neural reinstatement of context memory in adults with autism spectrum disorder. *Cerebral Cortex*, 33: 8546-8556 (2024).

Hokett E., Duarte A. A review of racial and ethnic differences in sleep-memory associations and the potential contributions of social determinants of sleep. *Current Sleep Medicine Reports*, 10, 62–69 (2024).

Clark A.L., Thomas K.R., **Ortega N.,** Haley A.P., Duarte A., O'Bryant A. Empirically derived psychosocial-behavioral phenotypes in Black/African American and Hispanic/Latino older adults enrolled in HABS-HD: Associations with AD biomarkers and cognitive outcomes. *Alzheimer's and Dementia*, 20(2):1360-1373, (2024).

Campbell J., Hokett E., Duarte A. Generalized stress and sleep hygiene explain the relationship between sexual/gender identity and sleep quality. *Journal of Gay and Lesbian Mental Health*, (2023).

Lee K., Sayre B., James T.A., Duarte A. Age-related reductions in arousal-enhanced memory are moderated by trait emotion regulation. *Scientific Reports*, (2023).

Haley A.P., Clark A. L., Duarte A. Lower Body Mass Index at Baseline is Related to Steeper Cognitive Decline in the Alzheimer's Disease Neuroimaging Initiative (ADNI) Cohort. *Psychosomatic Medicine*, 85(9), (2023).

AUDREY L DUARTE
CURRICULUM VITAE

Weiss S., James T.A., Verhaeghen P., Duarte A. An Updated Account of Overgeneral Autobiographical Memory in Depression. *Neurobiology and Biobehavioral Reviews*, 149, (2023).

Kwon S., Kim H.S., Kwon K., Kim H., Kim Y.S., Lee S.H., Kwon Y.T., Jeong J.W., Trotti L.M., Duarte A., Yeo W.H. At-home sleep monitoring soft patches for the assessment of sleep quality and sleep apnea. *Science Advances*, 9(21), (2023).

James T.A., Duarte A. Depressive Symptoms Are Associated with Reduced Positivity Preferences in Episodic Memory in Aging. *Neurobiology of Aging*, 121, (2023).

Lee K., Sayre B., Martin S., James T.A., Duarte A. Covid-19-related stress predicts worse sleep quality, particularly with increasing age. *Journal of Gerontology: Psychological Sciences*, 78(7):1163-1168, (2023).

Clark A.L., Haley A.P., Duarte A., O'Bryant S. Fatty Acid-Binding Protein 3 is a Marker of Neurodegeneration and White Matter Hyperintensity Burden in Mexican American Older Adults. *Journal of Alzheimer's Disease*, 90(1):61-68, (2022).

Hokett E., Arunmozhi A., Campbell J., Duarte A. Factors That Protect Against Poor Sleep Quality in an Adult Lifespan Sample of Non-Hispanic Black and Non-Hispanic White Adults During COVID-19, *Frontiers in Psychology*, (2022).

Hokett E., Mirjalili S., Duarte A. Greater sleep variance related to decrements in memory performance and event-specific neural similarity: a racially/ethnically diverse lifespan sample. *Neurobiology of Aging*, 117, (2022).

Lee K., Mirjalili S., Corbett B., Duarte A. Neural reinstatement of overlapping memories in young and older adults. *Journal of Cognitive Neuroscience*, 34(8):1376-1396, (2022).

Mirjalili S., †Powell P., Strunk J., James T., Duarte A. Evaluation of classification approaches for distinguishing brain states predictive of episodic memory performance from electroencephalography: Abbreviated Title: Evaluating methods of classifying memory states from EEG. *Neuroimage*, (2022).

James T., Hopton Z., Weiss-Cowie S., Verhaeghen P., Dotson V., Duarte A. Depression and Episodic Memory Across the Adult Lifespan: A Meta-Analytic Review. *Psychological Bulletin*, 147(11):1184-1214, (2021).

†Justus S., †Powell P.S., Duarte A. Intact selective attention supports context memory in adults with autism spectrum disorder. *Scientific Reports*, 11, (2021).

Hokett E., Arunmozhi A., Campbell J., Verhaeghen P., Duarte A. A systematic review and meta-analysis of individual differences in naturalistic sleep quality and episodic memory performance in young and older adults. *Neuroscience and Biobehavioral Reviews*, 127, (2021).

Mirjalili S., †Powell P., Strunk J., James T., Duarte A. Context memory encoding and retrieval temporal dynamics are modulated by attention across the adult lifespan, *Eneuro*, 8(1), (2021).

AUDREY L DUARTE
CURRICULUM VITAE

Pehlivanoglu D., Duarte A., Verhaeghen P. Multiple identity tracking strategies vary by age: an ERP study. *Neuropsychologia*, 138(17), (2020).

Dotson, V & Duarte, A. *The importance of diversity in cognitive neuroscience*. In Kingstone, A. and Miller, M. (Eds). The Year in Cognitive Neuroscience. The New York Academy of Sciences, 1464, (2020)

Corbett B., Duarte A. How proactive interference during new associative learning impacts general and specific memory in young and old. *Journal of Cognitive Neuroscience*, 32:9, 1607-1623, (2020).

AUDREY L DUARTE
CURRICULUM VITAE

C. PRESENTATIONS

Invited

Duarte A. (May, 2025). *Factors that influence age-related episodic memory changes in diverse populations*. American Psychological Society Annual Meeting, Washington D.C.

Duarte A. (March, 2025). *Factors that influence age-related episodic memory changes in diverse populations*. Center for Vital Longevity, Dallas, TX.

Duarte A. (November, 2024). *Lifestyle, sociodemographic, and psychosocial factors contributing to episodic memory across adulthood*. Rice University, Houston, TX.

Duarte A. (September, 2024). *Exploring cognitive aging and depression in Mexican Americans*. Conference Series on Aging in the Americas. UT Austin.

Duarte A. (June, 2024). *Mediators and moderators of racial and ethnic disparities in memory and brain health*. Frontiers in Aging and Regeneration Research Advanced Training Course. Tulane University, New Orleans, Louisiana.

Duarte A. (June, 2024). *Mediators and moderators of racial and ethnic disparities in memory and brain health*. Latino Salud Mental Research Network retreat, UT Austin.

Duarte A. (May, 2024). *Brain resilience and diversity in aging and dementia: a collaboratory for promoting equity in brain health research*. McGill University, Montreal, Canada.

Duarte A. (March, 2024). *Memory and the brain across the adult lifespan in underrepresented populations*. Texas Aging & Longevity Consortium. UT Austin.

Duarte A. (January, 2024). *How poor sleep and subthreshold depression exacerbate cognitive aging*. CARE meeting, UT Austin.

Duarte A. (November, 2023). *Lifestyle, sociodemographic, and psychosocial factors contributing to episodic memory across adulthood*. University of Illinois, Urbana-Champaign

Duarte A. (June, 2023). *Lifestyle, sociodemographic, and psychosocial factors contributing to episodic memory across adulthood*. Frontiers in Aging and Regeneration Research Advanced Training Course. Tulane University, New Orleans, Louisiana.

Duarte (April, 2023). *Associations between sleep and memory in diverse populations*. Baylor University, Waco, TX.

Duarte (March, 2023). *Individual differences in episodic memory across the adult lifespan*. U.C. Berkeley. Berkeley, CA.

Duarte (December, 2022). *Cognitive aging in diverse populations*. Synapse student organization, UT Austin.

Duarte (November, 2022). *Psychosocial factors contributing to cognitive aging in diverse populations*. Columbia University. NYC, NY.

Duarte (November, 2022). *The impact of Covid-19 related stress on emotional reactivity and memory across the adult lifespan*. Psychonomics Conference. Boston, MA.

Duarte A. (August, 2022). *How lifestyle, sociodemographic, and psychosocial factors contribute to episodic memory across adulthood*. Behavioral Neuroscience Colloquium Series. UT Austin.

AUDREY L DUARTE
CURRICULUM VITAE

- Duarte A. (June, 2022). *Lifestyle, sociodemographic, and psychosocial factors contributing to episodic memory across adulthood*. Frontiers in Aging and Regeneration Research Advanced Training Course. Tulane University, New Orleans, Louisiana.
- Duarte A. (May, 2022). *How Lifestyle, Sociodemographic, and Psychosocial Factors Relate to Episodic Memory across Adulthood*. Office of the Vice President for Research. UT Austin.
- Duarte A. (April, 2022). *Individual differences in habitual sleep quality contribute to age-related episodic memory impairments and event-specific encoding-retrieval similarity*. Cognitive Aging Conference, Atlanta, GA.
- Duarte A. (January, 2022). *Lifestyle, sociodemographic, and psychosocial factors contributing to episodic memory across adulthood*. Washington University.
- Duarte A. (January, 2022). *How psychosocial, demographic, and lifestyle variables interactively influence memory across the adult lifespan*. Department of Neurology, UT Austin.
- Duarte A. (January, 2022). *How sleep and exercise affect the brain and memory*. The Village at The Triangle, Austin.
- Duarte A. (November, 2021). *Rescuing the baby from the bathwater: how lifestyle, sociodemographic, and psychosocial factors relate to episodic memory across adulthood*. University of California, Irvine.
- Duarte A. (November, 2021). *Psychosocial factors that mitigate age and race/ethnicity-related disparities in sleep quality*. Culture and Cognition Preconference of the Psychonomic Society. New Orleans.
- Duarte A. (November, 2021). *Racial/ethnic disparities in sleep quality impact neural activity patterns supporting episodic memory performance*. Psychonomics Conference, New Orleans
- Duarte A. (October, 2021). *How culture shapes memory*. Memory Disorders Research Society meeting (virtual).
- Duarte A. (April, 2021). *Diversity in cognitive neuroscience research: Why it matters and what the lack of it means for the field*. Connecticut College.
- Duarte A. (January, 2021). *Individual difference contributions to episodic memory across the adult lifespan*. University of California, Riverside.
- Duarte A. (October, 2020). *Individual difference contributions to episodic memory across the adult lifespan*. Rotman Research Institute. Toronto, Canada.
- Duarte A. (April, 2020). *Using pattern analysis to track interference in episodic memory across the adult lifespan*. Cognitive Aging Conference. Atlanta, Georgia.
- Duarte, A. (March, 2020). *Understanding individual differences in episodic memory changes across the adult lifespan*. UT Austin.
- Duarte A. (November, 2019). *How race influences associations between sleep and memory-supporting brain activity*. Culture and Cognition Preconference of the Psychonomic Society. Montreal, Canada.
- Duarte A. (November, 2019). *How sleep and exercise affect the brain and memory in aging*. Brain Health Forum, Goizueta Alzheimer's Disease Research Center. Atlanta, Georgia.

AUDREY L DUARTE
CURRICULUM VITAE

- Duarte A. (October, 2019). *How sleep and exercise affect the brain and memory in aging*. Leading Age Conference. Atlanta, Georgia.
- Duarte A. (September, 2019). *Using pattern analysis approaches to elucidate neural mechanisms of age-related memory decline*. Memory Disorders Research Society 32nd annual meeting. New York, New York.
- Duarte, A. (September, 2019). *How to assess diversity in cognitive neuroscience research*. McGill University. Montreal, Quebec.
- Duarte, A. (August, 2019). *Moderators and mediators of episodic memory changes across the adult lifespan*. Department of Pharmaceutical Sciences, Mercer University, Atlanta, Georgia.
- Duarte, A. (May, 2019). *Individual differences in episodic memory across the adult lifespan*. Department of Psychology, University of Georgia. Athens, Georgia.
- Duarte, A. (May, 2019). *What can we do to alleviate memory impairments in older adults?* Frontiers in Aging and Regeneration Research Advanced Training Course. Morehouse College, Atlanta, Georgia.
- Duarte, A. (May, 2019). *How measuring the sleeping brain at home can help us understand aging and Alzheimer's disease*. Neuroscience in the Wild workshop, Center for Mind, Brain, and Culture, Emory University. Atlanta, Georgia.
- Duarte, A. (February, 2019). *The multifaceted nature of age-related episodic memory impairments*. Medical College of Georgia. Augusta, Georgia.
- Duarte, A. (February, 2019). *Episodic memory decline across the adult lifespan*. Emory University. Atlanta, Georgia.
- Duarte, A. (December, 2018). *The complex nature of episodic memory decline across the adult lifespan*. Arizona State University. Tempe, Arizona.
- Duarte, A. (November, 2018). *Improving sleep may be the key to improving memory as we age*. Agnes Scott University. Atlanta, Georgia.
- Duarte, A. (May, 2018). *The multifaceted nature of age-related episodic memory impairments*. University of Arizona. Tucson, Arizona.
- Duarte, A. (May, 2018). *What can we do to alleviate memory impairments in older adults?* Frontiers in Aging and Regeneration Research Advanced Training Course. Xavier University, New Orleans, Louisiana.
- Duarte, A. (September, 2017). *Decoding selective attention during context memory encoding*. Memory Disorders Research Society 30th annual meeting. Chicago, Illinois.
- Duarte, A. (May, 2017). *Revisiting the concept of successful aging in the context of neuroimaging*. Towards consensus definitions of key terms in the cognitive neuroscience of aging and dementia. Montreal, Canada.
- Duarte A. (April, 2017). *Cognitive control contributions to associative memory failures in aging*. Department of Psychology, University of Manchester, Manchester, UK.
- Duarte A. (February, 2017). *Aging and episodic memory across the lifespan*. College of Computing, Georgia Tech, Atlanta, Georgia.

AUDREY L DUARTE
CURRICULUM VITAE

- Duarte A. (January, 2017). *What can neuroimaging tell us about age-related memory changes?* Philadelphia College of Medicine, Suwanee, Georgia.
- Duarte A. (January, 2017). *What can neuroimaging tell us about age-related memory changes?* GT Neuro Seminar Series, Georgia Tech, Atlanta, Georgia.
- Duarte A. (October, 2016). *Cognitive control contributions to associative memory failures in aging.* Center for Visualization and Rehabilitation, VA Medical Center, Atlanta, Georgia.
- Duarte A. (February, 2016). *Cognitive control contributions to associative memory failures in aging.* EXPLORE, Georgia Tech, Atlanta, Georgia.
- Duarte A. (July, 2016). *Aging affects how cognitive control resolves proactive interference in associative memory retrieval.* International Conference on Memory, Budapest, Hungary.
- Duarte A. (July, 2016). *Disentangling cognitive control contributions to age-related associative memory impairments.* International Society for Behavioral Neuroscience, Dubrovnik, Croatia.
- Duarte A. (April, 2015). *The role of attention in age-related associative memory impairments.* Center for Vital Longevity, University of Texas at Dallas.
- Duarte A. (March, 2015). *Memory formation and deterioration with aging.* Atlanta Science Festival, Fernbank Museum, Atlanta.
- Duarte A. (February, 2015). *Just how different are the brains and memories of young and older adults?* Georgia Tech Silver Jackets, Georgia Tech.
- Duarte A. (February, 2015). *Simple ways to improve your memory.* Health and Wellness Seminar, East Cobb Senior Center.
- Duarte A. (December, 2014). *The role of attention in age-related associative memory impairments: insights from EEG and fMRI.* Department of Psychology, University of Florida.
- Duarte A. (November, 2014). *Beefcake your brain. Pump up your memory.* College of Sciences Presidential Cabinet Research Symposium.
- Duarte A. (October, 2014). *Why do we have trouble turning down the noise as we age? And why does this affect our memories?* Georgia Tech Homecoming Weekend.
- Duarte A. (March, 2014). *How does aging influence controlled encoding and retrieval?* Rotman Research Conference, University of Toronto.
- Duarte A. (February, 2014). *Interactions between short and long-term memory in the young and old.* School of Psychology, University of Arkansas.
- Duarte A. (December, 2013). *Memory reactivation for target and competing memories: predictions for aging.* Children's Hospital of Atlanta, Emory University.
- Duarte A. (July, 2013). *What can neuroimaging contribute to our understanding of age-related memory changes?* Biology and Disorders of Learning and Memory course. Cold Spring Harbor Laboratory, Cold Spring Harbor, New York.
- Duarte A. (June, 2013). *Interactions between attention and memory in the young and the old.* School of Psychology, U.C. Davis.
- Duarte A. (April, 2013). *What can we do to alleviate memory impairments in older adults?* College of Science Advisory Board annual meeting, Georgia Tech.

AUDREY L DUARTE
CURRICULUM VITAE

- Duarte A. (March, 2013). *Attentional control of short and long-term memory in the young and old*. Southeastern Workers in Memory (SWIM) conference held at Southeastern Psychological Association conference.
- Duarte A. (March, 2013). *How does aging influence the prospective and retrospective attentional control of memory?* Center for Aging, Tulane University.
- Duarte A. (November, 2012). *The influence of attention on short and long-term memory systems in the young and old*. Department of Psychology, Washington University.
- Duarte A. (November, 2012). *The influence of attention on short and long-term memory systems in the young and old*. Department of Psychology, Brandeis University.
- Duarte A. (June, 2012). *What can we do about age-related memory impairments? A neuroscience approach*. Target Meeting World Neuroscience Online Conference.
- Duarte A. (April, 2012). *What can neuroscience contribute to our understanding of cognitive aging?* Overview talk for Cognitive Neuroscience Methods symposium presented at presented at 15th annual Cognitive Aging Conference.
- Duarte A. (2012, January). *Episodic memory, aging and the human brain*. School of Biology, Georgia State University.
- Duarte A. (2011, November). *What can we do about age-related impairments in associative memory?* School of Psychology, University of Western Ontario, London Ontario, Canada.
- Duarte A. (2011, November). *Episodic memory, aging and the human brain* guest lecture given for Introductory Neuroscience, BMED 4752 at Georgia Tech.
- Duarte A. (2011, September). Brain Connections: Advances in Neuroscience -- Blended Research @ the Library series
- Duarte A. (2011, May). *What neural mechanisms support the benefit of explicit item-context binding to source memory performance in older adults?* American Psychological Society annual conference, Washington, D.C.
- Duarte A. (2010, December). *Aging and the neural systems supporting associative memory*. The Aging and Alzheimer Research Axis of the Douglas Mental Health University Institute, Montreal, Canada.
- Duarte A. (2010, March). *Aging and the neural systems supporting recollection*. Department of Psychology, University of Toronto.
- Duarte A. (2010, January). *Age-related changes in stimulus-independent and stimulus-dependent brain activity underlie item and source memory impairments in older adults*. Aging and Cognition Conference, University of Texas at Dallas.
- Duarte A. (2009, December). *Aging and the neural systems supporting episodic memory*. Helen Wills Neuroscience Institute, University of California at Berkeley.
- Duarte A. (2009, November). *Aging, recollection and familiarity*. Biomedical and Health Sciences Institute, University of Georgia.
- Duarte A. (2009, May). *Domain general and domain specific recollection: MTL and beyond*. Annual meeting for the International Society for Behavioral Neuroscience.

AUDREY L DUARTE
CURRICULUM VITAE

- Duarte A. (2008, October). *Recollection, familiarity and aging: cognitive and neural variability*. Yerkes Primate Center, Emory University.
- Duarte A. (2008, April). *Recollection, familiarity and aging: cognitive and neural variability*. School of Biology, Georgia Tech.
- Duarte A. (2007, January). *A multidisciplinary approach to characterizing human memory in older adults*. School of Psychology, Georgia Tech.
- Duarte A. (2007, March). *A multidisciplinary approach to characterizing human memory in older adults*. Center for Neurobiology of Learning and Memory, University of California at Irvine.
- Duarte A. (2007, March). *A multidisciplinary approach to characterizing human memory in older adults*. Department of Psychology, Cardiff University
- Duarte A. (2006, April). *Dissociations between recollection and familiarity based recognition: evidence from ERPs, aging and prefrontal lesions*. Medical Research Council – Cognition and Brain Sciences Unit
- Duarte A. (2005, December). *Dissociations between recollection and familiarity based recognition: evidence from ERPs, aging and prefrontal lesions*. OMNI meeting, Helen Wills Neuroscience Institute, University of California at Berkeley
- Duarte A. (2005, April). *Frontal Perfusion Correlates with Episodic Memory Deficits in MCI*. Center for Imaging of Neurodegenerative Diseases, San Francisco Veterans Affairs Medical Center
- Duarte A. (2005, March). *Frontal Perfusion Correlates with Episodic Memory Deficits in MCI*. Annual Research Symposium, Department of Radiology, University of California at San Francisco.
- Duarte A. (2004, July). Edge Conference, University of California at Berkeley

Submitted

- Nyan C., Ram S., Wachnin A., Mirjalili S., Duarte A.** (February, 2025). Differences in habitual sleep restlessness predict memory consolidation and supporting neural activity across age groups. Poster presented at the Dallas Aging and Cognition Conference.
- Wachnin A., Saha S., †Kim H., Seunghyeob B., Trotti L.M., Duarte A.** (February, 2025). Reliable, long-term at-home sleep monitoring system for multi-night electroencephalography (EEG) assessment in young and older adults. Poster presented at the Dallas Aging and Cognition Conference.
- Campbell J., †Lee K., Duarte A.** (February, 2025). The role of ACC volume on the relationship between sleep quality and emotional episodic memory across the adult lifespan. Poster presented at the Dallas Aging and Cognition Conference.
- Bhatia A., †Cutler R., Devulapali H., Pham P., Kumar S., Polyn S.M., Duarte A.** (February, 2025). The effects of age on the relationship between semantic memory representations and false episodic memories. Poster presented at the Dallas Aging and Cognition Conference.
- Saha S., †Kim H., Nyan C., Yeo W., Trotti L.M., Duarte A.** (June, 2024). An at-home, wireless, sleep monitoring system for long-term, reliable sleep assessment in young and older adults. Poster presented at the 38th annual Sleep meeting.
- Nishiyama R., Ravandi D., Lee K., Duarte A.** (June, 2024). Poor habitual sleep quality predicts heightened interoceptive awareness particularly with older age. Poster presented at the 38th annual Sleep meeting.

AUDREY L DUARTE
CURRICULUM VITAE

- Nyan C., Chhabra I., Ram S., Mirjalili S., Duarte A.** (June, 2024). Individual differences in habitual sleep discontinuity predict memory consolidation and supporting neural activity. Poster presented at the 38th annual Sleep meeting.
- Mirjalili S., Duarte A.** (May, 2024). More than sum of its parts: investigating episodic memory as a multidimensional cognitive process. Poster presented at the 20th annual Context & Episodic Memory Symposium.
- Seo A., Lee K., Nishiyama R., Duarte A.** (April, 2024). Interoception and Sleep: the role of insula cortex across adult lifespan. Poster presented at the 30th annual Cognitive Neuroscience Meeting.
- Lee K., Duarte A.** (April, 2024) Exploring the Role of Interoception and Interoceptive Brain Regions in Episodic Memory Across the Adult Lifespan: An fMRI Study. Poster presented at the 30th annual Cognitive Neuroscience Meeting.
- Dhawan S., Seeburger D., Xu N., Baer C., Hart A., Karkare M., Rich C., Sorme S., Duarte A., Keilholz S., Schumacher E.H.** (April, 2024). The effect of sleep quality on dynamic network connectivity during rest and n-back task performance. Poster presented at the 30th annual Cognitive Neuroscience Meeting.
- †Cutler R., Duarte A.** (April, 2023). The effect of semantic congruence in memory search is modulated by similarity: An ERP analysis of feature verification. Poster presented at the 30th annual meeting for the Cognitive Neuroscience Society.
- Seraji M., James T., Duarte A.** (April, 2023). Habitual emotion regulation contributes to emotional episodic encoding particularly with increasing age. Poster presented at the 30th annual meeting for the Cognitive Neuroscience Society.
- Niu Z., Haley A., Clark A., Duarte A.** (April, 2023). Regional brain volumetric analysis in diverse racial groups: Age and depression interactions on executive processes. Poster presented at the 30th annual meeting for the Cognitive Neuroscience Society.
- Mirjalili S., Duarte A.** (April, 2023). Investigating episodic memory as a multi-dimensional cognitive process. Poster presented at the 30th annual meeting for the Cognitive Neuroscience Society.
- James T., Duarte A.** (April, 2019). *Multi-element episodic encoding in young and older adults*. Talk presented at the 1st annual Smokies Cognition and Neuroscience Conference. Asheville, North Carolina.
- ‡Black N., Powell P.S., Duarte A.** (April, 2019). *Selective Attention and Context Memory in Adults with ASD*. Talk presented at the 4th annual North Georgia Regional Annual Memory Meeting. Stone Mountain, Georgia.
- James T., Duarte A.** (April, 2019). *Multi-element episodic encoding in young and older adults*. Talk presented at the 4th annual North Georgia Regional Annual Memory Meeting. Stone Mountain, Georgia.
- Hokett E., Duarte A.** (November, 2019). *Sleep, and, and race linked to neural pattern similarity of associative memory*. Poster presented at 49th annual meeting of the Society for Neuroscience.
- Powell P.S., Strunk J., James T., Polyn S.M., and Duarte A.** (November, 2018). *Decoding context memory representations during retrieval across the adult lifespan*. Poster presented at 48th annual meeting of the Society for Neuroscience.
- James T., Rajah M.N., and Duarte A.** (November, 2018). *Aging affects integration of multiple episodic details*. Poster presented at 48th annual meeting of the Society for Neuroscience.

AUDREY L DUARTE
CURRICULUM VITAE

- Corbett B.**, Polyn S.M., Dulas M.R., and Duarte A. (November, 2018). *Spontaneous resolution of competing memories is impaired with age*. Poster presented at 48th annual meeting of the Society for Neuroscience.
- Corbett B.**, Polyn S.M., and Duarte A. (May, 2018). *Age-related changes in resolving proactive interference in associative memory*. Poster presented at the 18th Cognitive Aging Conference.
- James T.** and Duarte A. (May, 2018). *Relational integration and associative memory deficits in older adults*. Poster presented at the 18th Cognitive Aging Conference.
- Powell P. and Duarte A. (May, 2018). *Context memory performance in adults with ASD: evidence of pre-mature aging*. Poster presented at the 18th Cognitive Aging Conference.
- Hokett E.** and Duarte A. (May, 2018). *The influence of habitual sleep patterns on memory performance*. Poster presented at the Cognitive Aging Conference.
- Powell P., **Strunk J.**, **James T.**, Polyn S., and Duarte A. (November, 2017). *Decoding selective attention during context memory encoding: An aging study*. Talk presented at 47th annual meeting of the Society for Neuroscience.
- Corbett B.** and Duarte A. (November, 2017). *Age-related changes in resolving proactive interference in associative memory*. Poster presented at 47th annual meeting of the Society for Neuroscience.
- Strunk J.** and Duarte A. (March, 2017). *Neural correlates of preparation during context memory encoding in young and older adults*. Poster presented at the 24th annual meeting for the Cognitive Neuroscience Society.
- James T.** and Duarte A. (March, 2017). *How do relational integration deficits contribute to older adults' associative memory impairments?* Poster presented at the 24th annual meeting for the Cognitive Neuroscience Society.
- Corbett J.**, **Weinberg L.**, and Duarte A. (March, 2017). *The effect of emotional expectation on episodic encoding in young and older adults*. Poster presented at the 24th annual meeting for the Cognitive Neuroscience Society.
- Strunk J.** and Duarte A. (April, 2016). *In what way does preparatory cueing support source memory encoding?* Poster presented at the 23rd annual meeting for the Cognitive Neuroscience Society.
- ‡**Morgan L.**, **Strunk J.**, **Reaves S.**, Verhaeghen P., Duarte A. (April, 2016). *Aging reduces the benefit of spatial retrocueing on VSTM for complex objects*. Poster presented at the 23rd annual meeting for the Cognitive Neuroscience Society.
- Corbett B.**, **Weinberg L.**, Duarte A. (April, 2016). *The effect of unexpected negative events on encoding*. Poster presented at the 23rd annual meeting for the Cognitive Neuroscience Society.
- James T.**, **Strunk J.**, Arndt J., Duarte A. (April, 2016). *The effects of selective attention on source memory retrieval in the young and old*. Poster presented at the 23rd annual meeting for the Cognitive Neuroscience Society.
- Strunk J.** and Duarte A. (April, 2016). *Pre and Post stimulus Subsequent Memory Effects in the Young and Old: A Time Frequency Analysis*. Poster presented at the 17th annual meeting for the Cognitive Neuroscience Society.
- ‡**Morgan L.**, **Strunk J.**, **Reaves S.**, Verhaeghen P., Duarte A. (April, 2016). *Spatial retrocueing benefits on VSTM diminishes with aging*. Poster presented at the 17th annual meeting for the Cognitive Neuroscience Society.

AUDREY L DUARTE
CURRICULUM VITAE

- Corbett B., Weinberg L.,** Duarte A. (April, 2016). *The effect of expectation on negative and neutral events on memory in younger and older adults*. Poster presented at the 17th annual meeting for the Cognitive Neuroscience Society.
- ‡Hassan Z.,** Gilchrist A., Verhaeghen P., Duarte A. (April, 2016). *Retrospective Attention Enhances Visual Working Memory Performance in the Young and Old*. Poster presented at the 17th annual meeting for the Cognitive Neuroscience Society.
- Weinberg L.,** and Duarte A. (April, 2015). *How acute stress during consolidation affects memory for negative materials with different arousal levels*. Poster presented at the 22nd annual meeting for the Cognitive Neuroscience Society.
- Reaves S.,** and Duarte A. (April, 2015). *Visual representations across memory systems and aging*. Poster presented at the 22nd annual meeting for the Cognitive Neuroscience Society.
- Reaves S., Strunk J.,** Verhaeghen P., and Duarte A. (September, 2014). *Visual representations across memory systems*. Poster presented at the 54th annual meeting for the Society for Psychophysiological Research.
- Strunk J.** and Duarte A. (September, 2014). *Influence of proactive control on subsequent memory performance*. Poster presented at the 54th annual meeting for the Society for Psychophysiological Research.
- Strunk J., ‡James T.,** and Duarte A. (September, 2014). *The effects of selective attention on source memory retrieval in the young and old*. Poster presented at the 54th annual meeting for the Society for Psychophysiological Research.
- Reaves S., Graham B.,** Grahn J., ‡Rabbanifard P., Duarte A. (April, 2014). *Turn off the music! Music impairs visual associative memory performance in older adults*. Poster presented at the 16th annual Cognitive Aging Conference.
- Dulas M.R.** and Duarte A. (April, 2014). *Age-related changes in overcoming proactive interference in associative memory: the role of VLPFC-mediated post-retrieval selection*. Poster presented at the 16th annual Cognitive Aging Conference.
- Strunk J.** and Duarte A. (April, 2014). *Age-related shifts in cognitive control strategy underlie episodic memory deficits*. Poster presented at the 16th annual Cognitive Aging Conference.
- Weinberg, L., ‡Hasni A.,** Shinohara M., and Duarte A. (April, 2014). *A single bout of resistance exercise can enhance episodic memory performance*. Poster presented at the 21st annual meeting of the Cognitive Neuroscience Society.
- Dulas M.R.** and Duarte A. (April, 2014). *Post-retrieval selection modulates processing of retrieved associations to overcome interference in memory*. Poster presented at the 21st annual meeting of the Cognitive Neuroscience Society.
- Dulas M.R.** and Duarte A. (November, 2013). *Aging affects the interaction between attentional control and source memory: an fMRI study*. Poster presented at the 43rd annual meeting of the Society for Neuroscience.
- Reaves S., Strunk J.,** Verhaeghen P., and Duarte A. (November, 2013). *Retrospective attention facilitates both short and long term-memory: support for a single memory system*. Poster presented at the 43rd annual meeting of the Society for Neuroscience.

AUDREY L DUARTE
CURRICULUM VITAE

- Arndt J. and Duarte A. (November, 2013). *The influence of selective attention at encoding on post-retrieval monitoring*. Poster presented at the 43rd annual meeting of the Society for Neuroscience.
- [†]Gilchrist A., Duarte A., Verhaeghen P., Solanki R. (November, 2013). *Effects of feature-based retrospective cues on working memory in adult aging*. Poster presented at the 54th annual meeting of the Psychonomic Society.
- Shin J., Duarte A., Hu X. (April, 2013). *Correction of Long-term Physiological Noise Effects Increases the Reproducibility of Resting-State Networks*. Poster presented at the 21st annual meeting of the International Society for Magnetic Resonance in Medicine.
- [†]Leshikar E.D. and Duarte A. (October, 2012). *Medial prefrontal cortex supports source memory for self-referenced materials in young and older adults*. Poster presented at the 42nd annual meeting of the Society for Neuroscience.
- Dulas M.R.** and Duarte A. (October, 2012). *Age-related alterations in post-retrieval monitoring with and without directed attention at encoding: An fMRI Study*. Poster presented at the 42nd annual meeting of the Society for Neuroscience.
- #Donohue M.R.** and Duarte A. (April, 2012). *The effects of selective attention on associative memory in young versus older adults*. Poster presented at 15th annual Cognitive Aging Conference.
- Dulas M.R., #Jiang Y.,** Duarte A. (April, 2012). *The effect of explicitly directing attention toward item-feature relationships on source memory in the young and old: an fMRI study*. Poster presented at 15th annual Cognitive Aging Conference.
- [†]Leshikar E.D. and Duarte A. (April, 2012). *Self-referencing supports source memory in young and older adults*. Poster presented at 15th annual Cognitive Aging Conference.
- #Hearons P.,** Duarte A., Verhaeghen P. (April, 2012) *Retrospective attention enhances visual working memory in the young but not the old: an ERP study*. Poster presented at 15th annual Cognitive Aging Conference.
- Graham B.,** Grahn J., Duarte A. (April, 2012). *Young and older adults' recognition memory during music listening*. Poster presented at 15th annual Cognitive Aging Conference.
- Newsome R.N.** Pun C., Ferber S., Duarte A., Barense M.D. (2012, March). *Use of a retro-cue disproportionately enhances VSTM performance in amnesic Mild Cognitive Impairment patients, relative to young and older adults*. Poster presented at the 21st annual Rotman Research Conference: Mild Cognitive Impairment, Toronto, Ontario, Canada.
- Newsome R.N.,** Duarte A., and Barense, M.D. (2011, June). *Reducing perceptual interference improves performance in mild cognitive impairment patients*. Poster presented at the Canadian Psychological Association Annual Meeting. Toronto, ON, Canada.
- Duarte A. (2011, June). *The role of directed attention on associative memory encoding and retrieval*. Talk given at presented at the Annual International Society for Behavioral Neuroscience conference, Verona, Italy.
- Newsome R.N.** Pun C., Ferber S., Duarte A., Barense M.D. (2011, November). *Attentional selection improves visual short-term memory performance in MCI patients*. Poster presented at the 41st annual meeting of the Society for Neuroscience.

AUDREY L DUARTE
CURRICULUM VITAE

- [†]Leshikar E.D., **Holder J.**, Duarte A., Hertzog C. (2011, November). *Task-dependent activation supports subsequent memory for successful encoding strategy use*. Poster presented at the 41st annual meeting of the Society for Neuroscience.
- Dulas M.R.** and Duarte A. (2011, November). *Directed encoding of item-feature associations reduces dorsolateral prefrontal contributions to source memory retrieval*. Poster presented at the 41st annual meeting of the Society for Neuroscience.
- Newsome, R.N.**, Duarte A., and Barense, M.D. (2011, March). *Perceptual processing impairments in MCI patients are related to perceptual interference*. Poster presented at the 18th annual Cognitive Neuroscience Society meeting.
- Dulas M.R.**, **‡Jiang Y.**, Duarte A. (2011, March). *The influence of directed attention on source memory retrieval in the young and old: an ERP study*. Poster presented at the 18th annual Cognitive Neuroscience Society meeting.
- [†]Leshikar E.D., Duarte A. (2010, October). *Medial prefrontal cortex supports accurate source memory retrieval for items encoded under self-reference*. Poster presented at the 40th annual meeting of the Society for Neuroscience.
- [†]Leshikar E.D., Duarte A. (2010, November). *Medial prefrontal cortex supports accurate source memory encoding for items encoded under self-reference*. Poster presented at the 51st annual meeting of the Psychonomic Society.
- Duarte A. (2010, June). *Frontal Activity Changes at Study and Test Underlie Domain General Source Memory Impairments in Older Adults*. Poster presented at the American Federation for Aging Research Grantee Conference.
- Dulas M.R.**, Duarte A. (2010, April). *Effects of aging on material general and material-specific source memory retrieval*. Poster presented at 14th annual Cognitive Aging Conference.
- Dulas M.R.**, Duarte A. (2010, April). *The effects of explicit item-feature binding on source memory performance*. Paper presented at 14th annual Cognitive Aging Conference.
- ‡Newsome R.**, Duarte A. (2010, April). *Age differences in associative memory: The influence of emotional stimuli*. Poster presented at 14th annual Cognitive Aging Conference.
- Duarte A. (2010, March). *Frontal Activity Changes at Study and Test Underlie Domain General Source Memory Impairments in Older Adults*. Poster presented at the 20th annual Rotman Research Institute Conference, University of Toronto.
- ‡Worden K.**, Duarte A. (2010, March). *Can induced negative mood amplify the negativity bias?* Poster presented at annual Georgia Tech Undergraduate Research Opportunities Program Symposium.
- Dulas M.R.**, Duarte A. (2010, February). *Effects of aging on material-general and material-specific source memory retrieval*. Poster presented at Georgia Tech Research and Innovation Conference.
- Newsome R.**, Duarte A. (2010, February). *The effects of emotion on associative memory in younger adults*. Poster presented at the Georgia Tech Undergraduate Research Symposium
- ‡Newsome R.**, **Dulas M.**, Duarte A. (2009, October). *The effects of self-referential processing on source memory in young and older adults: Behavioral and ERP evidence*. Poster presented at the 39th annual meeting of the Society for Neuroscience.
- Dulas M.R.**, Duarte A. (2009, October). *Effects of aging on domain general and domain specific source memory*. Poster presented at the 39th annual meeting of the Society for Neuroscience.

AUDREY L DUARTE
CURRICULUM VITAE

- ‡Newsome R., Dulas M.R., Duarte A. (2009, February). *The effects of aging on self-referential processing*. Poster presented at the Georgia Tech Undergraduate Research Symposium
- Duarte A., Henson R.N., Graham K.S. (2007, March). *Neural components of spatial and temporal source memory in healthy young and older adults*. Poster presented at the 14th annual meeting of the Cognitive Neuroscience Society.
- Duarte A., Henson R.N., Graham K.S. (2006, October). *The effects of aging on the neural correlates of subjective and objective recollection*. Paper presented at the autumn meeting of the British Neuropsychological Society.
- Duarte A., Henson R.N., Graham K.S. (2006, October). *Fractionating the neural correlates of subjective and objective recollection in older adults*. Paper presented at the 36th annual meeting of the Society for Neuroscience.
- Chao L.L., Schuff N., Duarte A., Buckley S.T., Kornak J., Kramer J.H., Yaffe B.L., Miller B. L., Weiner M.W. (February, 2006). *Predicting cognitive decline in MCI and healthy aging with structural and perfusion MRI and MRS*. Paper presented at the International Conference on Alzheimer's Disease and Related Disorders.
- Duarte A., Hayasaka S., Du A., Schuff N., Jahng G., Kramer J., Miller B., Weiner M. (October, 2005). *Functional correlates of memory deficits in Mild Cognitive Impairment*. Poster presented at the 35th annual meeting of the Society for Neuroscience.
- Duarte A., Hayasaka S., Du A., Schuff N., Jahng G., Kramer J., Miller B., Weiner M. (2005, June). *Frontal hypoperfusion correlates with episodic memory deficits in Mild Cognitive Impairment*. Poster presented at the International Conference on the Prevention of Dementia.
- Hayasaka S., Schuff N., Kornak J., Studholme C., Cardenas-Nicolson V., Du A., Duarte A., Weiner M. (2005, March). *Identifying Regional Patterns of Concordance and Dissociation between Gray Matter Loss and Hypoperfusion among Alzheimer's Disease Patients*. Poster presented at the 13th annual meeting of the International Society for Magnetic Resonance in Medicine.
- Duarte A., Ranganath C., Knight R.T. (2004, August). *Frontal lesions impair recognition memory: a reconciliation of lesion and fMRI findings*. Paper presented at the 1st annual Bay Area Memory Meeting.
- Duarte A., Ranganath C., Trujillo C., Knight R.T. (2004, April). *Prefrontal cortex supports recollection and familiarity-based recognition: evidence from patients with unilateral prefrontal lesions*. Poster presented at the 11th annual meeting of the Cognitive Neuroscience Society.
- Duarte A., Ranganath C., Winward L., Knight R.T. (2003, October). *Aging affects the neural correlates of recollection and familiarity during encoding and retrieval*. Poster presented at the 33rd annual meeting of the Society for Neuroscience.
- Duarte A., Ranganath C., Winward L., Knight R.T. (2002, October). *Dissociable neural correlates for recollection and familiarity*. Paper presented at the annual retreat of the Helen Wills Neuroscience Institute, University of California at Berkeley.
- Duarte A., Ranganath C., Winward L., Knight R.T. (2002, October). *Hemispheric asymmetries in frontal processing during memory encoding*. Poster presented at the 32nd annual meeting of the Society for Neuroscience.

AUDREY L DUARTE
CURRICULUM VITAE

- Duarte A., Ranganath C., Winward L., Knight R.T. (2002, October). *Hemispheric asymmetries in frontal processing during memory encoding and retrieval*. Poster presented at the annual meeting of the Minority in Neuroscience Fellowship Program and American Psychological Association.
- Duarte A., Ranganath C., Hayward D., Knight R.T. (2002, April). *Neurophysiological correlates of episodic memory for lateralized objects*. Poster presented at the 9th annual meeting of the Cognitive Neuroscience Society.
- Duarte A., Ranganath C., Hayward D., Knight R.T. (2001, October). *Lateralized frontal activity during memory encoding*. Poster presented at the annual meeting of the Minority in Neuroscience Fellowship Program and American Psychological Association.
- Knight R.T., Herrmann C.S., Padilla M., Duarte A., Soltani M., Pellouchoud E., Edwards E. (2001, April). *Stimulus dependence of human gamma band activity*. Poster presented at the 8th annual meeting of the Cognitive Neuroscience Society.
- Duarte A., Griffiths D.P., Clayton N.S. (1999, August). *Observational learning and food storing in Scrub Jays*. Paper presented at the McNair Scholars Undergraduate Research Conference, University of California at Davis.
- Duarte A., Griffiths D.P., Clayton N.S. (1999, January). *Observational learning and food storing in Scrub Jays*. Paper presented at the National Conference on Undergraduate Research, University of Rochester.

D. GRANTS AND CONTRACTS

D1. As Principal Investigator

*Novel sleep monitoring patch for investigating sleep's role in episodic memory and cognitive decline in ethnoracially diverse adults, **co-Principal Investigator***

National Institutes of Health

2026-2031

Pending

*How culture informs episodic memory across the adult lifespan, **co-Principal Investigator***

National Institutes of Health

2026-2031

Pending

*All-in-One Integrated Wearable Bioelectronics for Brain-Behavior Synchronization in Aging, **co-Principal Investigator***

National Institutes of Health

2026-2031

Pending

*Executive contributions to the “double jeopardy” of depressive symptoms and age on episodic memory in racially diverse adult, **co-Principal Investigator***

National Institute on Aging-R01

2024-2029

\$3,895,315 direct and indirect costs

*Improving recruitment, engagement, and access for community health equity for BRAIN next-generation human neuroimaging research and beyond (REACH for BRAIN), **Consultant***

National Institute on Aging-R01

2024-2029

Collaborators: Francis Shen (**Principal Investigator**)

AUDREY L DUARTE
CURRICULUM VITAE

*How culture shapes memory strategies, **co-Principal Investigator***

National Institute on Aging- Exploratory/Developmental Research Grant – R21

2024-2026

\$424,990 direct and indirect costs

*Scalable skin-like wearable platform for real time physio-cognitive monitoring and decision support within austere, high stress aeromedical settings, **co-Principal Investigator***

Nano-bio Materials Consortium (NBMC)

Collaborators: Woonhong Yeo (**co-Principal investigator**)

2020 – 2023

\$951,196 direct and indirect costs

*Developing an imperceptible electroencephalography at-home sleep monitoring system for cognitive and clinical research, **Principal Investigator***

National Institute on Aging- Exploratory/Developmental Research Grant – R21

Collaborators: Woonhong Yeo, Georgia Tech; Lynn Marie Trotti, Emory University

2020 – 2024

\$424,990 direct and indirect costs

*Individual differences in habitual sleep quality and episodic memory network activity across the adult lifespan, **Principal Investigator***

National Science Foundation

Collaborators: Mark Wheeler

2019-2024

\$ 449,956 direct and indirect costs.

*At-home, imperceptible electroencephalography monitoring with soft electronics to investigate the impact of habitual sleep quality on cognitive performance, **Principal Investigator***

Alzheimer's Association

Collaborators: Woonhong Yeo

2019-2024

\$ 149,843 direct and indirect costs.

*Research training grant in cognitive aging, **Program Director***

National Institute on Aging, Institutional Training Grant – T32

Collaborators: Chris Hertzog, Dan Spieler, Scott Moffat, Paul Verhaeghen, Mark Wheeler, Georgia Tech

2015-2022

\$2,459,535 direct and indirect costs

*Aging and components of cognitive control in associative memory, **Principal Investigator***

National Institute on Aging, R56.

Collaborators: N/A

2016-2019

\$ 425,143 direct and indirect costs.

*The influence of attention on associative memory in the young and old, **Principal Investigator***

National Science Foundation, Research Grant

Collaborators: N/A

2011 – 2015

\$ 410,692 direct and indirect costs.

*The effects of aging on associative memory, **Principal Investigator***

American Federation for Aging Research, Research Grant

Collaborators: N/A

2009 – 2012

AUDREY L DUARTE
CURRICULUM VITAE

\$75,000 direct costs. No indirect costs allowed.

Prediction of Cognitive Decline with MRI and MRS, Principal Investigator

National Institute on Aging; research supplement award

University of California at San Francisco

Collaborators: Michael Weiner, University of California San Francisco

2005 – 2006

\$35,568 direct costs. No indirect costs allowed.

Perfusion MRI and episodic memory in MCI, Principal Investigator

Veterans Affairs Research Enhancement Award Program

Collaborators: Michael Weiner, University of California San Francisco

2004 – 2005

\$35,568 direct costs. No indirect costs allowed.

San Francisco Veterans Affairs Medical Center

Neuroscience Scholars Program, **Principal Investigator**

National Institute on Neurological Disorders and Stroke

Collaborators: Robert Knight, University of California Berkeley

2001 – 2004

\$58,896 direct costs. No indirect costs allowed.

D2. As Co-Investigator

Aging and varieties of cognitive control, Co-Investigator

National Institute on Aging, Research Project Grant - R01

Collaborators: Paul Verhaeghen, Georgia Tech

2010 – 2016

\$1,114,596 direct and indirect costs.

Norepinephrine release with exercise and memory function in elderly adults, Co-Principal Investigator

Emory University, Pilot Grant

Collaborators: Minoru Shinohara, Georgia Tech

2012 – 2013

\$25,000 direct costs. No indirect costs allowed.

Functional recruitment underlying the use of effective memory mediators, Co-Investigator

GSU/GT Center for Advanced Brain Imaging Seed Grant

Collaborators: Chris Hertzog, Georgia Tech

2010 – 2011

\$10,000 direct costs. No indirect costs allowed.

Aging and varieties of cognitive control, Short-Term Project Award, Co-Investigator

National Institute on Aging, High Priority Short-Term Project Award - R56

Collaborators: Paul Verhaeghen, Georgia Tech

2009 – 2010

\$469,271 direct and indirect costs.

Research training grant in cognitive aging, Core Faculty Preceptor

National Institute on Aging, Institutional Training Grant – T32

Collaborators: Chris Hertzog, Dan Spieler, Scott Moffat, Paul Verhaeghen, Mark Wheeler, Georgia Tech

2009 – 2014

\$2,257,040 direct and indirect costs.

AUDREY L DUARTE
CURRICULUM VITAE

E. SOCIETAL AND POLICY IMPACTS

The broader impacts of my work are clear. Twenty percent of the world's population will be over the age of 60 by 2030. It is therefore of great importance to understand the neurocognitive processes that underlie age-related memory impairments so that we can develop targeted interventions to ameliorate these impairments. In my lab we conduct research to identify the mechanisms underlying memory impairments, how racial/ethnic diversity, individual differences in environmental factors like sleep and mood impact these mechanisms, and conduct intervention studies using exercise and cognitive methods.

V. EDUCATION**A. COURSES TAUGHT**

Spring, 2025	Psy 332S	Psychology and Neuroscience of Sleep	29 students
Fall, 2024	Psy 353	Psychopharmacology	79 students
Spring, 2024	Psy 332S	Psychology and Neuroscience of Sleep	35 students
Fall, 2023	Psy 308	Biopsychology	48 students
Spring, 2023	Psy 332S	Psychology and Neuroscience of Sleep	32 students
Fall, 2022	Psy 353	Psychopharmacology	56 students
Spring, 2022	Psy 332S	Psychology and Neuroscience of Sleep	14 students
Spring, 2022	Psy 353	Psychopharmacology	60 students
Spring, 2021	Neur 3003	Neuroscience of Behavior	30 Students
Fall, 2020	Psyc 4100	Behavioral Pharmacology	65 Students
Fall, 2019	Psyc 4100	Behavioral Pharmacology	56 Students
Fall, 2019	GT 1000-Psyc	Freshmen Seminar	7 Students
Spring, 2019	Psyc 6040/41	Topics in Cognitive Aging	31 Students

B. INDIVIDUAL STUDENT GUIDANCE

B1. PhD Students

Zoe Li, B.A.	Matriculating Fall, 2025
Jess Campbell, B.S.	Advised since Fall, 2024
Ahhyun Seo, M.S.	Advised since Fall, 2023
Soroush Mirjalili, M.S.	Graduated Fall, 2023
Ph.D. thesis "More than sum of its parts: investigating episodic memory as a multidimensional cognitive process"	
Kyoung Eun Lee, M.S.	Graduate Summer, 2024
Ph.D. thesis "Interoception, aging, and emotional memory"	
Emily Hokett, Ph.D.	Graduated Summer, 2021
Ph.D. thesis "A large, online study examining individual differences in sleep quality and episodic memory performance across the adult lifespan: interactions between psychosocial and sociodemographic factors."	
Taylor James, Ph.D.	Graduated Summer, 2021
Ph.D. thesis "Neural correlates of emotional memory as a function of age and depressive symptoms"	
Brittany Corbett, B.S.	Graduated Spring, 2019
M.S. thesis "Age-related Changes in Resolving Proactive Interference in Associative Memory"	
Jonathan Strunk, Ph.D.	Graduated Fall, 2018
Ph.D. thesis "The influence of valid and invalid context memory cues at encoding."	
Michael Dulas, Ph.D.	Graduated Summer, 2014
Ph.D. thesis "Age-related changes in overcoming proactive interference in associative memory: the role of VLPFC-mediated post-retrieval selection."	
Current Position: Post-doctoral fellow at University of Illinois, Urbana-Champaign	

B2. M.S. Students

Lisa Weinberg, M.S.	Graduated Fall, 2015
M.S. thesis "How acute stress during consolidation affects memory for negative materials with different arousal levels" completed Fall, 2015.	
Sarah Reaves, M.S.	Graduated Spring, 2015
M.S. thesis "The effect of retrospective attention on memory systems" completed Spring, 2015.	
Current Position: Research Scientist at University of Florida	

AUDREY L DUARTE
CURRICULUM VITAE

Brittany Graham, M.S. Graduated Fall, 2011
 M.S. thesis "Mechanisms supporting recognition memory during music listening"
 completed Fall, 2011

B3. Undergraduate Students

Risako Nishiyama, A.J. Wachnin, Sahana Ram, Sabuhee Zafar, Priscilla Pram, Chuu Nyan, Isha Chhabra Hita Devulapalli, Hiba Dadabhoy, AJ Wachnin Andrew White, Tanvi Vaidya, Dona Ravandi, Ivy Liang, Sydney Lamphier	Current
Zach Hopton, Natalie Black, Anchal Kamat, Aditi Arunmozhi, Prachi Patel, Sammy Weiss-Cowie	
James Becker, Zach Hopton, Lauren McClelland, Size Liu	Graduated Spring, 2020
Ruta Panchal	Graduated Spring, 2019
Patricia Chang, Helly Patel	Graduated Spring, 2019
Cady Sikes, Asif Sheikh	Graduated Spring, 2019
Alexandra Kershteyn	Graduated Spring, 2018
Catherine Stephens, Gemariah Valencia	Graduated Spring, 2016
Brittany Corbett, Zain Hassan	Graduated Spring, 2015
Lauren Morgan, Taylor James	Graduated Spring, 2015
Jack Kuhns, Sindhuja Surapaneni	Graduated Spring, 2015
Darshna Patel, Neda Norouzi	Graduated Spring, 2015
Belinda Jivapong, Shekinah Phillips	Graduated Spring, 2015
Parissa Rabbanifard, An Do	Graduated Spring, 2014
Behetrin Mohammed, Preety Bhardwaj	Graduated Spring, 2014
Shruti Chandramouli	Graduated Spring, 2013
Jessica Zuo, Lydia Maleknia	Graduated Spring, 2013
Yusuf Uddin, Meghan Rose Donohue	Graduated Spring, 2012
Mary Courtney Delvin, Colin Blenis	Graduated Spring, 2012
Lindsey Threlkeld, Trang Nguyen	Graduated Spring, 2012
Dina Dunn, Benjamin Tsui, Kelly Bailey	Graduated Spring, 2011
Rachel Newsome, Adarsh Shetty,	Graduated Spring, 2010
Kendell Worden, Yashu Jiang	Graduated Spring, 2010

B4. Service on Thesis/Dissertation Committees

Dissertation Committees (2 students), 2024-2025
 Dissertation Committees (4 students), 2023-2024
 Dissertation Committees (2 students), 2022-2023
 Dissertation Committees (3 students), 2021-2022
 Dissertation Committees (3 students), 2020-2021
 Dissertation Committees (3 students), 2018-2019
 Dissertation Committees (2 students), 2017-2018
 Dissertation Committees (2 students), 2015-2016
 Dissertation Committees (1 student), 2014-2015
 Dissertation Committees (4 students), 2010 – 2011
 Master's Committees (4 students), 2018-2019
 Master's Committees (3 students), 2017-2018

AUDREY L DUARTE
CURRICULUM VITAE

Master's Committees (2 students), 2016-2017
Master's Committees (2 students), 2015-2016
Master's Committees (6 students), 2012 – 2013
Master's Committees (2 students), 2010 – 2011
Master's Committee (1 student), 2009-2010
Preliminary Exam Committees (2 students), 2024-2025
Preliminary Exam Committees (2 students), 2018-2019
Preliminary Exam Committees (1 student), 2017-2018
Preliminary Exam Committees (1 student), 2014-2015
Preliminary Exam Committees (1 student), 2012-2013
Preliminary Exam Committees (3 students), 2010 – 2011
Preliminary Exam Committees (3 students), 2009 – 2010
Preliminary Exam Committees (2 students), 2008 – 2009

B5. Mentorship of Postdoctoral Fellows/Visiting Scholars

Visiting Scholars

Jason Arndt, Ph.D. Advised 2012-2013
Current Position: Professor of Psychology at Middlebury College

David Maillet, Ph.D Advised Summer, 2013
Current Position: Postdoctoral fellow at Harvard University

Postdoctoral Fellows

Ryan McCurcody, Ph.D. Current

Sarah Henderson, Ph.D. Current

Rebecca Cutler, Ph.D. Advised 2022-2024
Current Position: Data Scientist at Galvanize

Sidni Justus, Ph.D. Advised 2019-2022
Current Position: Assistant Professor of Psychology at Kennesaw State University

Patrick Powell, Ph.D. Advised 2016-2019
Current Position: lead project coordinator for the Autism and Developmental Disabilities Monitoring (ADDM) Network at the Centers for Disease Control

Amanda Gilchrist, Ph.D. Advised 2012-2013
Current Position: Associate Professor of Psychology at Cottey College

Eric Leshikar, Ph.D. Advised 2009- 2011
Current Position: Assistant Professor of Psychology at University of Illinois, Chicago
